

Fairways

Providing the very best in care
for people in their later years

My mum was very happy at Fairways and that made me happy. The staff - you couldn't wish for better, always helpful and caring... I couldn't recommend Fairways higher...

Janet A

(Daughter of resident at Fairways)

Gabriel Court Care Home

helping you blossom

As a member of ACI Care, Fairways is part of a family of high-quality care homes.

Based in New Romney just a short stroll from the beach, Fairways Care Home sits within a beautiful 19th Century building which boasts stunning gardens, where our overarching mission is to transform the lives of residents in our care.

Our dedicated and kind care team are the best at what they do. Not only are they highly trained, but they get to know every one of our residents to provide tailored care for each individual. With a focus on accessibility, compassion and independence, we pride ourselves on delivering first class, person-centred care which enables each of our residents to blossom, regardless of the type of care they require.

As well as continually striving to provide compassionate care, it's also hugely important to us to make our residents feel part of our Fairways family. We seek to create a lifestyle where our residents feel part of something and where they can rediscover their sparkle.

our care services

We offer various types of care, which are all tailored around each resident's needs.

Residential care

Our residential care provides support with everyday tasks such as getting dressed or assisting with their mobility. Although residents and their families have the peace of mind knowing that 24/7 support is there if needed, we respect our residents' desire for independence.

Dementia care

We support people with short term memory loss and cognitive impairment associated with dementia. We understand that this type of care can be complex, therefore we take a holistic approach. Our highly trained and compassionate team deliver high quality bespoke care to each of our residents to make them feel understood, content and safe.

Respite care

Our range of respite care services offer all the benefits that our long-term residents enjoy but for a shorter period of time. Respite care is particularly beneficial following a stay in hospital when guests may need additional help with personal care or managing medication. Whatever support is needed, our dedicated care team can help.

life at Fairways

Offering an excellent standard of care within a cosy, homely environment.

Whether you're a long-term resident or receiving short term respite care, we offer fantastic facilities to make sure everyone feels at home and part of our family.

- Beautiful 19th century building set in stunning gardens
- Weekly visits from the hairdresser
- Daily events provided by both staff and volunteers
- Regular live entertainment
- Bedrooms offering panoramic views of the grounds and nearby Golf Course
- Beautiful gardens
- Three spacious lounge rooms
- Delicious home cooked meals prepared by our in-house cooks
- Coastal location with assisted short walks along the beach
- Monthly visits from the chiropodist
- Residents can bring their own furniture if required
- Pets by arrangement
- Internet access
- Wheelchair access and lift

the Fairways lifestyle

As part of our commitment to transform our residents' lives, our lifestyle provides something for everyone.

Whether it's forming new relationships, reigniting a much-loved hobby or discovering something new, we offer a comprehensive activities calendar. Dancing, garden events and birthday parties – as well as quizzes and bingo – are all regular occurrences at Fairways.

We place a great emphasis on mealtimes; it's not just a time for residents to enjoy delicious and nutritious food (which they do), but it's also a point in the day where everyone comes together to enjoy excellent food with great company.

Our beautiful coastal location means that there are plenty of places to explore – either when families come to visit or as part of organised day trips throughout the year. The Rare Breeds Farm at Hamstreet, Kearsney Abbey and Ashford Cinema are just some of the nearby attractions.

Whatever your care needs, get in touch with our friendly team to discuss how we can transform your later life for the better.
