

Gabriel Court

Providing the very best in care
for people in their later years

Gabriel Court is a lovely home, and they have taken good care of my Aunt for the past 2 years. The staff are friendly and warm-hearted and have a smile on their face as you walk through the door.

Gabriel Court Care Home

helping you blossom

As a member of ACI Care, Gabriel Court is part of a family of high-quality care homes.

Our Kettering based care home is in the perfect location for access to nearby amenities plus a variety of local attractions on the doorstep, combining quality lifestyle with quality care.

Our mission is to transform the lives of residents. We have a dedicated team of individuals who pride themselves in delivering care centred around ACI's three key principles: Accessibility. Compassion. Independence.

We want all of our residents to feel like part of the extended Gabriel Court family, and we do this by engaging them in a number of events and activities designed to help residents rediscover their sparkle.

our care services

We offer various types of care, which are all tailored around each resident's needs.

Residential care

Residents and families have peace of mind knowing their loved ones have access to care 24/7. Residential care allows individuals to retain their independence, with just a little support with daily activities, such as getting dressed or moving around.

Dementia care

When it comes to dementia care, we don't believe in a one-size fits all approach. Everyone's needs are unique to them, and our specialist team tailor their care to suit the individual. This ensures our dementia residents feel safe, content and understood at all times.

Respite care

If you're just coming out of hospital, or perhaps you need a little extra support whilst loved ones are away, then you can benefit from everything our long-term residents receive, but on a short-term basis. Whatever support is needed, our dedicated care team can help.

As part of our commitment to transform our residents' lives, our lifestyle provides something for everyone.

We also understand how important it is to eat a healthy and nutritious meal, as well as the company that this shared activity provides. Our residents enjoy three freshly prepared, home-cooked meals every single day - benefiting both mental and physical wellbeing.

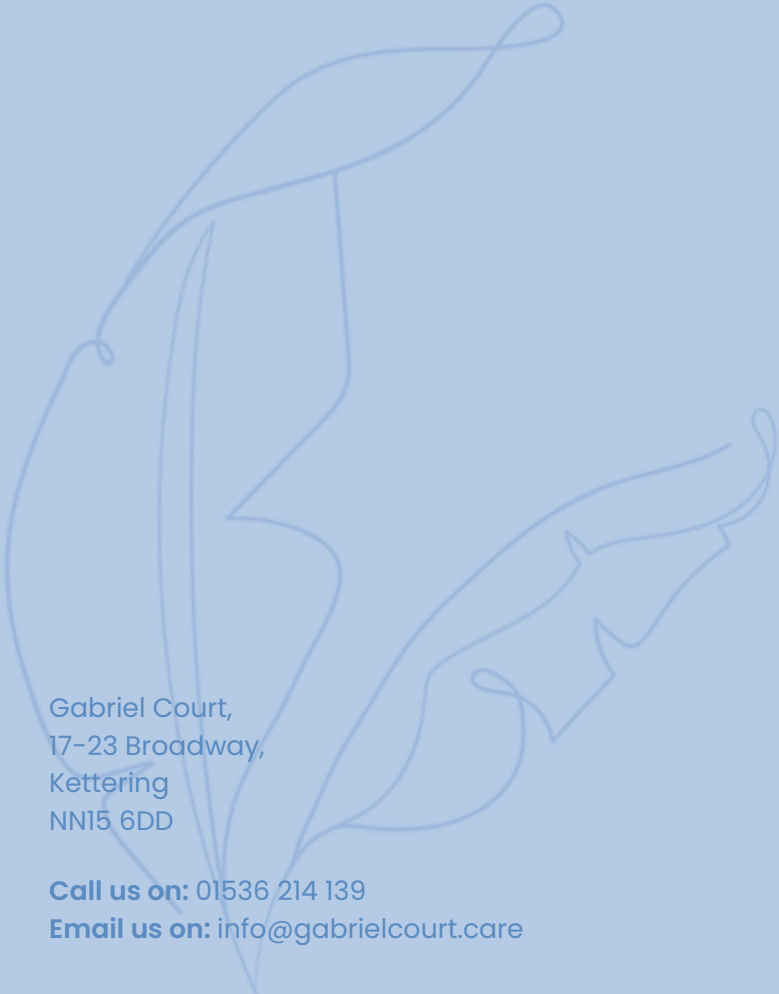

Our convenient town-centre location means residents can easily pop out to their favourite coffee shop, or enjoy one of the many parks around the area allowing them to easily retain their independence and have places to take visiting relatives.
